

# CCTV STANDARD PRICE LIST

## Small Business & Residential | Riyadh

Base prices include the first 20m of cable per camera. A typical 80m route is shown clearly so clients understand the cable cost.

**1**

### TIER 1 - VALUE ANALOG

#### Hikvision Analog 2MP + DVR

Lowest-cost monitoring option

#### Best for basic monitoring

- Original Hikvision equipment with supplier warranty
- Outdoor-ready models available for sun and dust exposure
- Up to 20-30m night viewing range, model dependent
- Lowest entry cost for shops and small buildings
- Suitable when budget matters more than smart features

Qty	Base price	Est. at 80m/camera
1 Camera	SAR 1,350	SAR 1,560
2 Cameras	SAR 1,550	SAR 1,970
3 Cameras	SAR 1,750	SAR 2,380
4 Cameras	SAR 1,950	SAR 2,790

**2**

### TIER 2 - STANDARD IP

#### Hikvision IP 5MP + NVR

Recommended standard package

#### Better value for most clients

- 5MP digital image clarity with NVR recording
- Uses Cat6A network cabling for cleaner future expansion
- Outdoor IP models available with sun/dust resistance
- Up to 30m night view on common models, model dependent
- Mobile app setup and basic remote viewing included

Qty	Base price	Est. at 80m/camera
1 Camera	SAR 1,650	SAR 1,860
2 Cameras	SAR 1,950	SAR 2,370
3 Cameras	SAR 2,250	SAR 2,880
4 Cameras	SAR 2,550	SAR 3,390

**3**

### TIER 3 - PREMIUM SMART IP

#### Hikvision ColorVu / AcuSense 4MP-8MP + NVR

Premium smart detection and night performance

#### Highest value and smarter security

- ColorVu and AcuSense options for stronger low-light and smart detection
- Human/vehicle filtering available on AcuSense models
- Premium outdoor options with weather, dust, and sun resistance
- 30-40m+ viewing/night range depending on selected model
- Best for entrances, warehouses, shops, villas, and higher-risk areas

Qty	Base price	Est. at 80m/camera
1 Camera	SAR 2,050	SAR 2,260
2 Cameras	SAR 2,450	SAR 2,870
3 Cameras	SAR 2,850	SAR 3,480
4 Cameras	SAR 3,250	SAR 4,090

#### Standard scope included

- Standard installation in normal site conditions
- Basic setup and mobile app configuration
- First 20 meters of cable included per camera
- Extra cable is charged only when needed, not as a full roll

#### Optional add-ons

- 4U cabinet / wall rack: SAR 200
- HDD storage: quoted by capacity
- Extra cable after 20m per camera: SAR 3.5 per meter
- Civil works, ceiling works, and high-access equipment: excluded

#### Pricing rule

Typical 80m route = 60m extra cable per camera x SAR 3.5 = SAR 210 extra per camera.

- Prices are standard package prices for normal installations in Riyadh.
- VAT is excluded unless stated in the final quotation.
- For 5+ cameras, maintenance, or special integration work, request a custom quote.
